

**SAFEGUARDING AMERICAN VALUES FOR EVERYONE**

## THE SAVE CHAMPIONS OF EQUALITY AWARDS GALA

Saturday, May 4th, 2024: Estimated participants: 450-500

Dear Sponsor,

It is my honor as SAVE's Executive Director to invite you to stand with us in 2024. By making a meaningful contribution to our work through your sponsorship of the Champions of Equality Awards Gala, you will stand shoulder-to-shoulder with us to promote, protect and defend equality for LGBTQ+ people in South Florida.

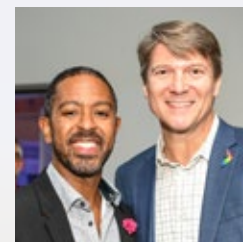

Since 2005, SAVE has recognized individuals who have significantly advanced the cause of equality in South Florida and whose voices and efforts inspire movement across the Country. SAVE's Champions of Equality Awards Gala brings together hundreds of political, civic, and community leaders from across South Florida who stand for fairness and equality for LGBTQ+ people.

It would mean so much to us to have you, your organization or business sponsor the event, and to see your brand placed prominently among many of South Florida's most influential thought leaders and decision-makers.

Over the years, scores of prominent organizations have proudly sponsored this event, and then return year after year because they see the value of standing with us, and of the work we do. Week-after-week, from door-to-door, the support we build at the Gala helps us build the pro-equality voter base we need to win elections and to change hearts and minds.

In past years, we have recognized and welcomed local and national community leaders including United States Representatives and Senators, Florida State Representatives and Senators, and local elected officials spanning Miami-Dade and Broward Counties. We have also recognized celebrities and activists in the arts, entertainment and politics for their unique contributions that give voice to the fight for full equality.

Supporters of the Gala, like you, feel deeply the importance of standing in solidarity with the LGBTQ+ community throughout the years, and we are grateful for the value that all of our sponsors add to the LGBTQ+ community. The Champions of Equality Awards Gala offers an unmatched opportunity to position you front-and-center before this important gathering of community movers and shakers.

OF  
EQUALITY

## Our Work and the Fight for Full LGBTQ+ Equality.

SAVE is recognized as South Florida's longest serving organization dedicated to promoting, protecting, and defending people who are lesbian, gay, bisexual, transgender and queer (LGBTQ+) against discrimination.

Since 1993, **SAVE** and its education arm, the **SAVE Foundation**, have raised awareness about rights and protections for people of all sexual orientations and gender identities. We accomplish our work primarily through grassroots action which empowers members of the community to take leadership roles in advocating for themselves and their community.

## OUR 2023 HIGHLIGHTS

---

SAVE is dedicated to empowering individuals to enact change in their own community.

In 2023, over 130 individual volunteers completed countless hours of community work. These collective actions helped us galvanize LGBTQ+ support and activate pro-equality voters and included:

- **Phone-Banks** throughout Florida to raise awareness about LGBTQ+ issues and the harmful effects of anti-LGBTQ+ policies and rhetoric.
- **Canvasses knocking door-to-door** throughout South Florida to have meaningful conversations to reduce prejudice against the LGBTQ+ community and inspire pro-equality voters to cast their ballots.
- **Rallies in South Florida and Tallahassee** to stand up against anti-LGBTQ+ policies such as the expansion of the “Don’t Say Gay” Bill.

## SAVE SPONSORSHIP FORM

All contributions made to SAVE Foundation are tax deductible

### NON-DISCRIMINATION

To build on the mission of SAVE, we seek sponsors and partners that are committed to creating safe and affirming spaces for the lesbian, gay, bisexual, and transgender community. We work with sponsors to develop a comprehensive non-discrimination policy that includes protections for sexual orientation and gender identity. Furthermore, we offer our sponsors LGBTQ+ cultural competency and sensitivity training to help maintain an inclusive and affirming workplace environment.

Does your company currently have a non-discrimination policy that includes sexual orientation and gender identity?

☐ Yes ☐ No
